

**CITY OF SANTA ANA
MAYOR**

MIGUEL PULIDO

AGE: 48

OCCUPATION: Mayor/Businessman

I'm proud to be your mayor and to have led our city into becoming a model for the nation. Years of hard work and planning have reaped positive results:

Public Safety: With visionary prevention programs and increased support for law enforcement, Santa Ana boasts the lowest crime rate of any city our size in America.

Economic Development: The city is experiencing tremendous rebirth. I've helped shepherd the Federal Courthouse, Museum District, midtown revival and Artists' Village. We've increased trade and lured thousands of new businesses. Once-empty buildings bustle: We now have the lowest vacancy rate in decades. We beat cities nationwide to win millions in Empowerment funds to rejuvenate our community.

Schools: We're implementing creative solutions to improve education.

Streets/Parks: I've delivered \$105 million to improve streets and \$50 million for parks.

Although I'm pleased with these improvements, I'm not satisfied. We must take advantage of our momentum. We have a detailed plan to continue reducing crime, invigorating our business districts and revitalizing our neighborhoods. I want you to be proud of the choice you've made to live in Santa Ana. I respectfully ask for your support and pledge to work hard to make our city even better.
